Support introduction of as many bridleway routes as possible - also horse rider/walker/cyclists to all use as opposed to footpaths - especially those along Fen Drayton Rd & Hale Road - to provide safety to horse riders a avoid need to go on main roads. also maintenance of bridleway along navigation drain etc. linking villages with off road bridleways is vital for horse riders as traffic on roads is ever increasing.

Summary of Comments:

If your comments are longer than 100 words, please summarise the main issues raised.

- more bridleways!
- Approve of the suggested new bridleways.
