PART B – Your Response

Which Village Design Guide SPD do you have comments on?

Village Name (Please state)	All
------------------------------------	-----

Which part of the Village Design Guide SPD do you have comments on?

Chapter / paragraph number (Please state)	
--	--

Do you Support, Object or have Comments? (Please tick)	<input checked="" type="checkbox"/> SUPPORT <input type="checkbox"/> OBJECT <input checked="" type="checkbox"/> COMMENT
--	--

Reason for SUPPORT, OBJECT or COMMENT:

Please give details to explain why you support, object or have comments on the Village Design Statement SPD (continue on separate A4 sheets(s) if necessary).

Please use a separate response form for each SPD and chapter you are commenting on.

I would like these comments be made applicable to each of the Design Guides (Caldecote, Fulbourn, Gamlingay, Over, Papworth Everard, Sawston and Swavesey).

Developers should ensure that crime prevention is considered as an integral part of the initial design of any development and not as an afterthought. Development should incorporate the principles of 'Secured by Design'. In particular they will need to demonstrate how their development proposal has addressed the following issues, in order to design out crime to avoid the creation of opportunities for crime:

- Natural Surveillance of public and semi-private spaces, in particular, entrances to a development, paths, play areas, open spaces and car parks.
- Defensible space and the clear definition, differentiation and robust separation of public, private and semi-private space, so that all the spaces are clearly defined and adequately protected in terms of their use and ownership.
- Consideration for some lighting, in particular shared parking courts and footpaths.
- Design and layout of pedestrian, cycle and vehicle routes into and within the site, including how these integrate with existing patterns in the village.
- Landscaping and planting, in particular, potential hiding places and dark or secluded areas should not be created.

Summary of Comments:

If your comments are longer than 100 words, please summarise the main issues raised.

Secured by Design for all new housing and commercial development can be achieved to create a safe and secure environment. Developers should, at an early stage, seek advice from the Police Designing out Crime Officers at Cambridgeshire Police Headquarters.
